The Link Food Centre

Hot Meal Program

Throughout the winter and spring, the Food Centre served 3 hot meals a week. Some meals were donated by local businesses and others were paid for through a grant from Food banks Canada.

Unfortunately, the program is not running through the summer as we search for more funding to continue this program.

Students helping in the garden

Students from local schools spent hundreds of hours preparing beds, planting, harvesting and learning about growing their own food!

Ashurst Children's Centre

The daycare will be open through July and then resuming normal programming in September
